

Design the Future: Cyber Security

What will the future hold when it comes to securing our data?

We're partnering with **HCL Technologies**, an industry leader and growing employer in all things tech, to convene people from across campus.

Together, we will imagine the future of application security and bring our ideas to life.

**All majors and levels of ability/interest welcome.
No tech experience required!**

**Pre-register on Handshake:
arizona.joinhandshake.com/events/425357**

When:

Thursday, February 20
5:00 – 7:30 PM

Where:

CATalyst Studios
Main Library, Ground Floor

Food will be provided. Door prizes will be awarded. All you have to do is be curious enough to register and show up!
